A visit in my wheelchair
For a simple check-up, I can stay in my wheelchair.

For treatment, I can stay in my wheelchair:

- if my chair tilts backwards with a headrest, or
If I can, I move myself to the dentist’s chair.

The dentist lowers the chair.
I change seats.

I can ask for help.
I lie down on the chair.

The dentist raises the chair.
If my wheelchair has a custom-moulded seat,

- the dentist needs permission for me to get out of my chair.
This factsheet was produced in partnership with
The French Union for Oral and Dental Care (UFSBD) and the SOSS network which promotes access to oral and dental care for people with disabilities.

It was created with financial support from our partners:
